

2D DESIGN DRAWINGS

SPECIALISED

We specialise in Drafting and Building Services (Mechanical, Electrical, Hydraulics and Fire), providing our clients with detailed and precise technical drawings.

EFFICIENT

With Draftech's decades of industry experience, we understand that our clients are busy and need accurate work quickly. By prioritising productivity and quality through streamlined workflows, we ask the right questions upfront, thus eliminating inefficiencies.

COMPETITIVE

With fixed price terms and negotiable deliveries, cutting-edge technology, innovative strategies, and a dedicated team committed to excellence, we provide solutions to rival any.

RESOURCING

With Draftech, your staffing costs are eliminated by strategically utilising our resourcing approaches, optimising your workplace and operations through our cloud system, effectively removing excessive staffing costs while maintaining easy access to your drafting IP on all devices and at all locations.
